The Need is Growing, And So Are We

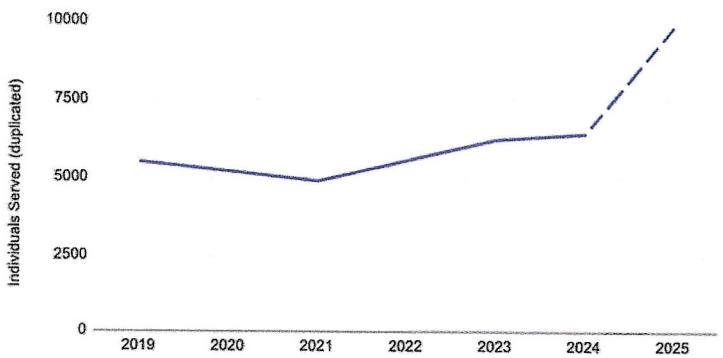

Need is rising in every area Las Animas Helping Hands serves. Every year we are serving more people than the year prior — across food access, utility assistance, and basic emergency support. That's why we're expanding capacity and preparing for a new building to better meet this growing demand.

Food Pantry

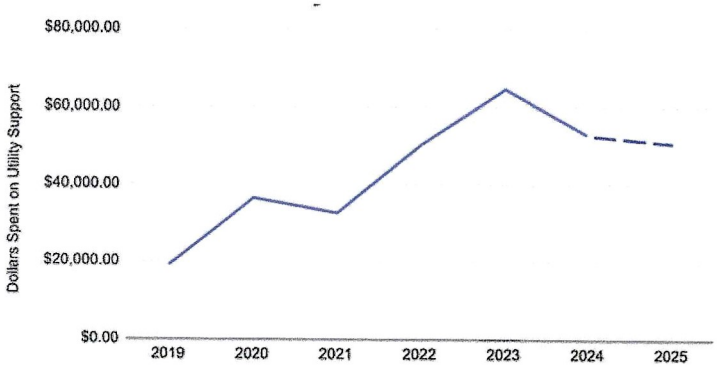

Tripled
since 2020

USDA Commodities

53%
since last year

Utility Assistance

Doubled
since 2019
